Start4neo Extended courses are offered in Basel on February 13, 2025 and December 10, 2025. You may contact your [start4neo Regional Director](#).

General information

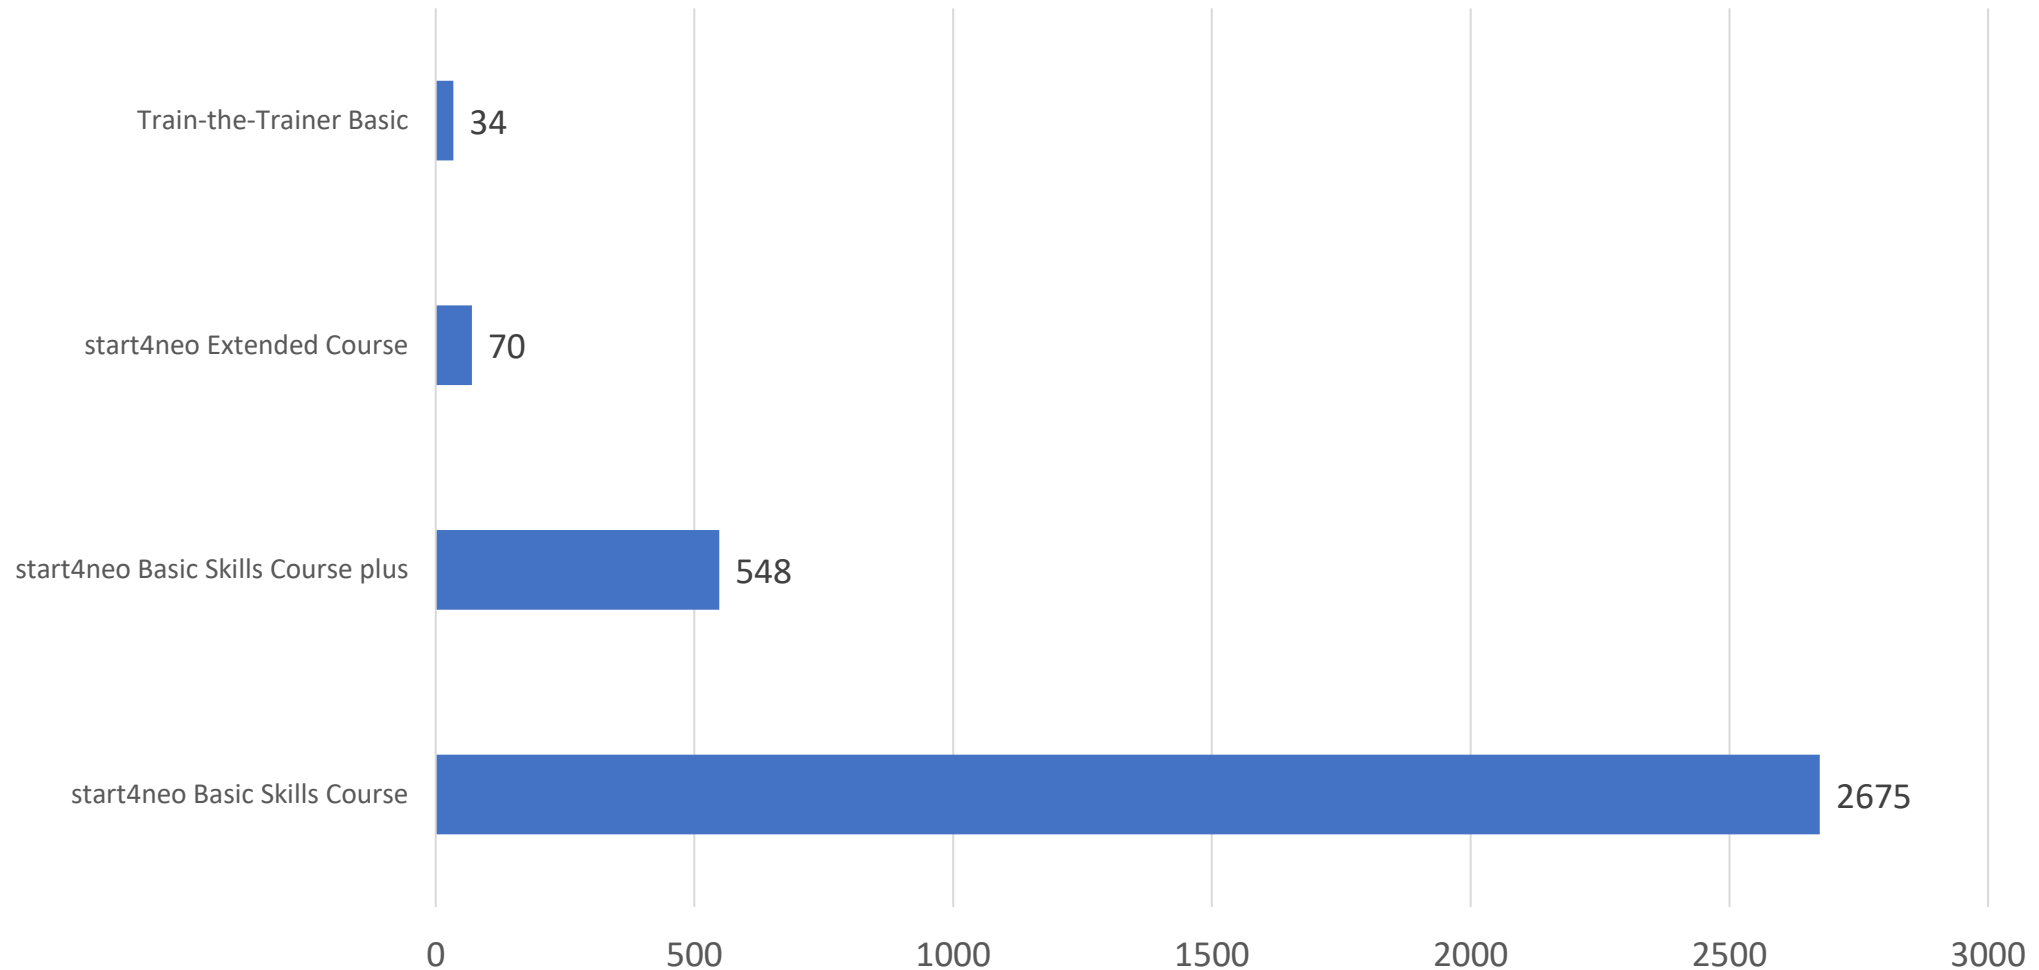

Start4neo is the national inter-professional resuscitation training program relevant for all professionals involved in the care of newborns in the delivery room. The aim is the practical implementation of the Swiss neonatal resuscitation guidelines.

The course is run by the Swiss Society of Neonatology and acknowledged with educational credits points by the following Swiss medical societies:

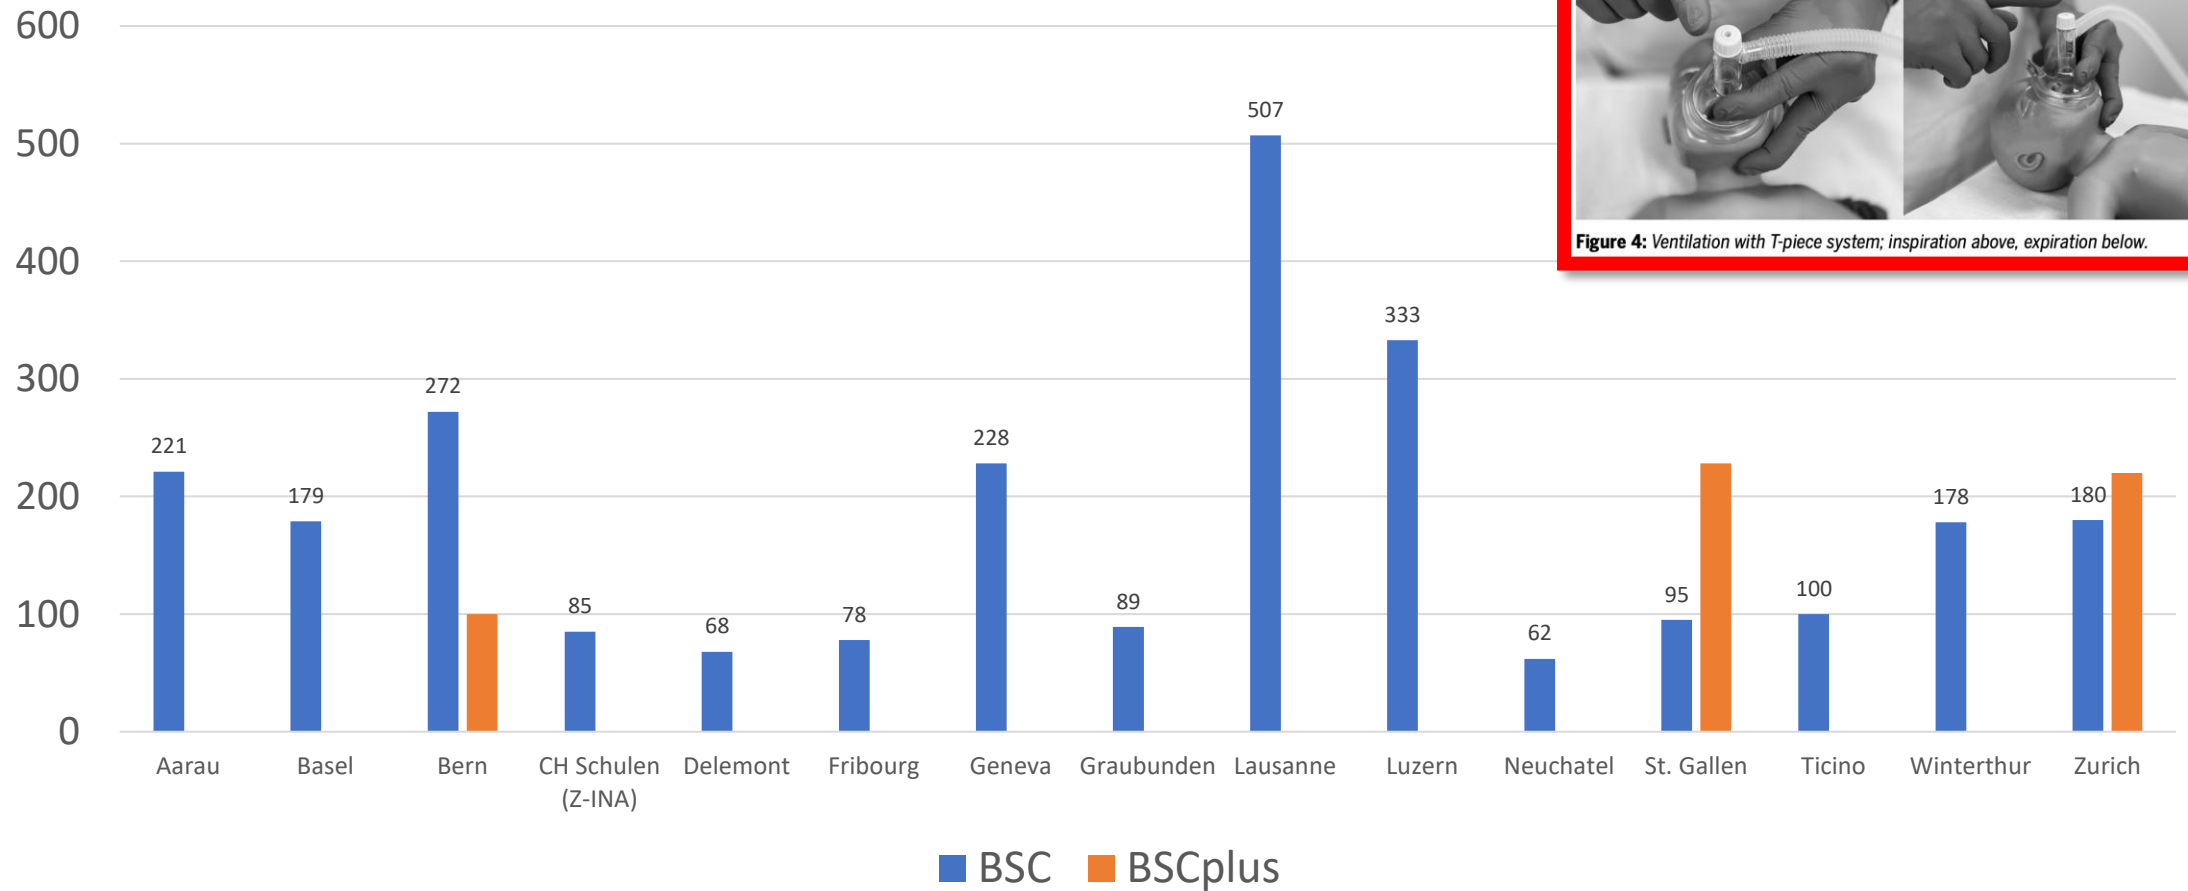

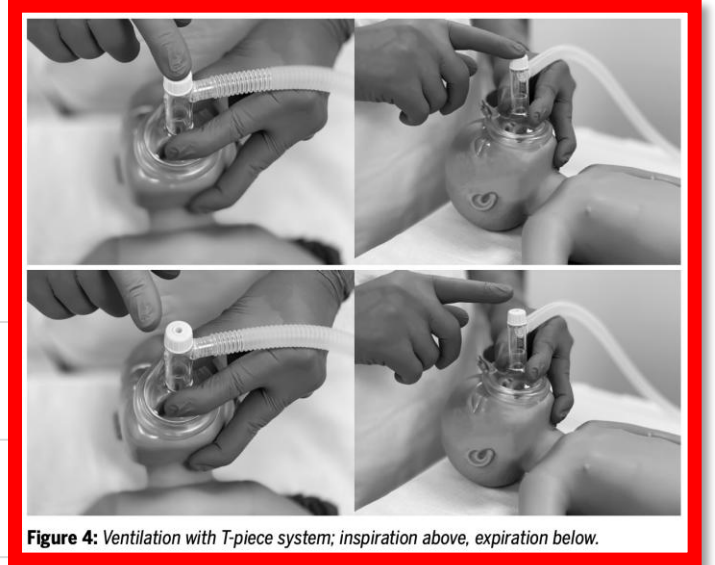

- Swiss Society of Neonatology
- Swiss Society of Pediatrics
- Swiss Society of Obstetrics and Gynecology
- Swiss Society of Anesthesia and Resuscitation
