

FEMALE GENITAL MUTILATION/CUTTING MANAGEMENT AND PREVENTION

Sharing data and experiences, improving collaboration

March 13 & 14, 2017

Geneva University Hospitals

Hôpitaux
Universitaires
Genève

Program

Monday, March 13, 2017

08.00 Registration

08.45 Opening

Yves Flückiger - Rector of the University of Geneva
Guy Breton - Rector of the University of Montreal
Yvon Englert - Rector of the University of Brussels
Patrick Petignat, Olivier Irion, Karine Martinez - Geneva University Hospitals
Lale Say - World Health Organization
Marisa Birri - Swiss Net Against Female Circumcision

Healthcare Professionals: Training and Curricula. Medicalization

09.15 Keynote Lecture

Healthcare professionals training on FGM: challenges and opportunities
Fabienne Richard - GAMS, Belgium

09.45 Free Communications

*Moderators: Fabienne Richard - Belgium, Elise Dubuc - Canada,
Christina Pallitto - Switzerland*

09.45 Quality Improvement Method to optimize Female Genital Mutilation (FGM) In-service Training Package targeting Community Midwives in Northern and River Nile States in Sudan

Ahmed Wisal - Sudan

10.00 The New Zealand (NZ) National FGM Education Program: Case study of a successful FGM/C training and prevention model for NZ Healthcare professionals

Nikki Denholm - New Zealand

10.15 Evidence to inform education, training, and supportive work environments for doctors and midwives involved in the care of women with female genital mutilation: A review of global experience

Angela Dawson, Nesrin Varol - Australia

10.30 Female genital mutilation: Knowledge, attitude and practices of Flemish midwives (Belgium)

Els Leye, Sien Cappon, Charlotte L'écluse, Els Clays, Inge Tency - Belgium

10.45 Is research data used in education for health professionals on management of FGC? Results from Sweden

Birgitta Essén, Sara Johnsdotter - Sweden

11.00 Coffee break

- 11.30 Sensitive Policies and Measures against Female Genital Mutilation (FGM) - Healthcare professionals: training and curricula**
Umyma El jelede, Mag.a MBA Hilde Wolf - Austria
- 11.45 Drivers for FGM Medicalization among Community Midwives in River Nile and Northern State, Sudan**
Paul Bukuluki - Sudan
- 12.00 Medicalization of Female Genital Mutilation/Cutting: What do the Data Reveal?**
Bettina Shell-Duncan, Caroline Njue - USA, Jacinta Muteshi - Kenya
- 12.15 A training plan to improve sensitization and care for pregnant women with FGM/C in a level II Belgium hospital**
Sophie Alexander, Clotilde Lamy, Pascale Neyrinck, Fabienne Richard, Peter Verduyck - Belgium
- 12.30 Knowledge on Female Genital Mutilation/Cutting (FGM/C) among Nurse-Midwives working in prevalent counties in Kenya**
Samuel Kimani, Tammary Esho, Violet Kimani, Christine Kigundu, Joseph Karanja, Jaldesa Guyo - Kenya
- 12.45 Lunch**

Healthcare and prevention

- 13.45 Keynote Lecture**
FGM/C: Healthcare Experience and Prevention Efforts in Mali
Moustapha Touré. Mali Hospital, Bamako, Mali
- 14:15 Keynote Lecture**
FGM/C: Healthcare Experience and Prevention Efforts from the U.S. Context
Crista Johnson-Abgakwu - Refugee Women's Health Clinic, Phoenix AZ USA
- 14.45 Free Communications**
Moderators: Moustapha Touré - Mali, Crista Johnson-Abgakwu - USA, Karin Stein - Switzerland, Jasmine Abdulcadir - Switzerland
- 14.45 Cultural values affecting the acceptance of surgical defibulation**
R. Elise B. Johansen - Norway
- 15.00 Clitoral reconstruction (CR) after female genital cutting (FGC) – women's motives, expectations and experiences**
Malin Jordal - Sweden

- 15.15 Clitoral reconstruction at CHU Yalgado of Ouagadougou, Burkina Faso**
Charlemagne Ouedraogo - Burkina Faso
- 15.30 FGM/C as a health concern - lay people's views on the bodily practice in Burkina Faso**
Elena Jirovsky - Austria
- 15.45 Improving FGM/C healthcare and clinical guidelines through community engagement and leadership**
Kevin Fitzgerald, Samantha Wu, Ranit Mishori, Rebecca Reingold - USA
- 16.00 Coffee break**
- 16.30 Men's views on Female Genital Mutilations.**
Angela Caselli - Italy, Jasmine Abdulcadir - Switzerland, Rosaria Mastrullo, Rosa Cecere, Lucrezia Catania, Omar Abdulcadir - Italy
- 16.45 Men have a role to play but they don't play it: A mixed methods study exploring men's involvement in Female Genital Mutilation in Belgium, the Netherlands and the UK**
Sarah O'Neill, Dominique Dubourg, Stephanie Florquin, Marthine Bos, Solomon Zewolde, Fabienne Richard
- 17.00 Obstetric outcomes for women with female genital mutilation at an Australian hospital, 2006-2012: a descriptive study**
Nesrin Varol, Angela Dawson - Australia
- 17.15 The role of Midwives at the Edna Adan University Hospital to prevent FGM**
Edna Adan - Somaliland

Program

Tuesday, March 14, 2017

Knowledge, Evidence And Consensus Gaps

08.30 Keynote Lecture

Implementation of the Guidelines on management of complications of FGM, research gaps and research implications

Lale Say - WHO, Switzerland

09.00 Free Communications

Moderators: Lale Say - Switzerland, Sophie Alexander - Belgium

09.00 A pilot study on pelvic floor symptoms in women living with female genital mutilation/cutting

Marion Uebelhart, Michel Boulvain, Patrick Dallenbäch, Olivier Irion, Patrick Petignat, Jasmine Abdulcadir - Switzerland

09.15 The role of medical doctors and the role of the Child Protection Services detecting cases of female genital mutilation within the system of Law in Norway

Inger-Lise Lien, Norway

09.30 The impact of the law in the prevention of FGM

Patrizia Farina - Italy, Els Leye - Belgium, Livia Ortensi, Claudia Pecorella - Italy

09.45 Persistent Norms and Tipping Points: Female Genital Cutting in Burkina Faso

Lindsey Novak - USA

10.00 Changing cultural attitudes on FGC

Sonja Vogt, Charles Efferson - Switzerland

10.15 What is the evidence on safety and efficacy of clitoral reconstruction after FGM/C?

Jasmine Abdulcadir - Switzerland

10.30 How to evaluate sexual dysfunction in female genital mutilation: a proposed model

Béatrice Cuzin, Florence Brunel Delmas, Albertine Papingui - France

10.45 Using the Female Sexual Function Index (FSFI) to evaluate sexual function in women with genital mutilation undergoing surgical reconstruction: a pilot prospective study

Sophie Wylomanski, Mathilde Vital, Sophie De Visme, Matthieu Hanf, Henri Jean-Philippe, Norbert Winer - France

11.00 Coffee break

- 11.30 Interventions to address sexual function in women affected by female genital cutting: a scoping review**
Nicole Warren, Crista Johnson-Abgakwu - USA
- 11.45 Estimation of the prevalence of female genital mutilation / cutting among migrant women living in England and Wales**
Alison Macfarlane - UK
- 12.00 Do ‘female circumcision’ and ‘genital cosmetic surgery’ have the same roots? The historical evidence**
Dina Bader - Switzerland
- 12.15 Factors associated with the support of pricking (female genital cutting type IV) among Somali immigrants – a cross-sectional study in Sweden**
Anna Wahlberg, Sara Johnsdotter, Katarina Ekholm Selling, Carina Källestål, Birgitta Essén - Sweden
- 12.30 Lunch, Posters exposition**

E-posters Session

Moderators: Karin Stein, Christina Pallitto - Switzerland

Healthcare professionals: training and curricula. Medicalization

- 13.30 1. Dissemination of the WHO guidelines on the management of health complications from female genital mutilation**
Abdalla Hisham Hussein Imam Ibraheim - Egypt
- 13.35 2. Female Genital Mutilation in Sudan - Are Obstetricians and Gynecologists more ready than Pediatricians?**
Nasr A.M. Elawad - Sudan
- 13.40 3. Female Genital Mutilation in Sudan - Are pediatrician ready to fight this practice?**
Sarah A. Salam Salih - Sudan
- 13.45 4. Continuing Professional Education on female genital mutilation for Obstetricians, Gynecologists, and Midwives in Australia**
Angela Dawson, Nesrin Varol - Australia

Healthcare and prevention

- 13.50 5. “The ‘heat’ goes away”: sexual disorders of married women with female genital mutilation/cutting in Kenya**
Tammery Esho, Samuel Kimani, Violet Kimani, Samuel Munlu, Isaac Nyamongo, Guyo Jaldesa, Patrick Ndavi - Kenya
- 13.55 6. A Cross-Country Comparison: Trends in the Adoption and Enforcement of FGM/C Laws relating to Reinfibulation and Vacation Cutting**
Rebecca Reingold, Ranit Mishori, Kevin Fitzgerald, Samantha Wu - USA

14.00 7. Women Speak Out: Female Genital Cutting
Camille Clare, Jacqueline Greenfield, Praise Augustus, Nneamaka Ukatu,
Eugene Manu, Brian Altonen - USA

**14.05 8. A Belgian multi-disciplinary FGM medical reference center:
our experience after three years of practice**
Martin Caillet, Fabienne Richard - Belgium

14.10 9. The pseudo-Clitoris, a particular FGM
Pierre Foldès - France

Knowledge, evidence and consensus gaps

14.15 10. Integrative Sexual management of FGM: “Mind Body” proposals
Béatrice Cuzin, Florence Brunel Delmas, Albertine Papingui - France

**14.20 11. Comparative study of sexual function in women who had undergone
clitoral reconstruction for Female Genital Mutilation/Cutting (FGM/C)
and women without FGM/C**
Sophie Wylomanski, Mathilde Vital, Sophie De Visme, Stéphanie Dugast,
Matthieu Hanf, Norbert Winer - France

14.25 12. FGM alerts and expert assessments from healthcare providers
Sara Johnsdotter, Birgitta Essén - Sweden

**14.30 13. Outcome of external genital reconstruction after female genital
mutilation (FGM): A pilot in selected patients in the Netherlands**
Refaat Karim, Judith Dekker - The Netherlands.

**14.35 14. Making an Ethical Decision in the Exam Room: A Brief Review of the
Legal, Ethical and Moral aspects of the Clinical Management of FGM/C**
Ranit Mishori, Kevin Fitzgerald, Rebecca Reingold, Samantha Wu - USA

**14.40 15. Health Impacts of FGM/C: A synthesis of the evidence and
implication for health system strengthening**
Samuel Kimani, Jacinta Muteshi, Caroline Njue - Kenya

**14.45 16. Reparative approaches: the different meanings of «reparation»
for women living with FGM in France and Switzerland**
Michela Villani - Switzerland

**14.50 17. The increasing demand for reconstructive clitoral surgery among
circumcised women living in Europe**
Sara Johnsdotter, Birgitta Essén - Sweden

**14.55 18. Could efforts to eliminate female genital cutting be strengthened
by extending protections to male and intersex children too?**
Rebecca Steinfeld - UK, Brian Earp - USA

15.00 Coffee break

15.30 Hot topics discussion

17.30 Conclusions of the day & Take home message

Useful information

Address

Geneva University Hospitals, Department of Obstetrics and Gynecology
Boulevard de la Cluse 30, 1205 Geneva

Credits

The symposium is designated by the following societies:

Swiss Society of Obstetrics and Gynaecology - 12 credits

Swiss Plastic Surgery - 6 credits

Swiss Urology - 2 credits

Scientific committee

Jasmine Abdulcadir - Geneva University Hospitals and University of Geneva, Sophie Alexander - University of Brussels, Leen Aerts - Geneva University Hospitals, Dina Bader - University of Lausanne, Elise Dubuc - University of Montreal, Christina Pallitto - World Health Organization, Patrick Petignat - Geneva University Hospitals, Karin Stein - World Health Organization

Organizing committee

Jasmine Abdulcadir, Geneva University Hospitals and University of Geneva, Sophie Alexander - University of Brussels, Séverine Baudry - Geneva University Hospitals, Chantal Gazzola-Manfrini - Geneva University Hospitals, Olivier Irion - Geneva University Hospitals, Maryse Ivoll - Geneva University Hospitals, Christina Pallitto - World Health Organization, Patrick Petignat - Geneva University Hospitals, Karin Stein - World Health Organization
