## ACCREDITATION

---

The meeting is designated by the following societies

SSSP/SGPG (Prevention & Public Health)	3 credits
SSR/SGR (Radiology)	3 credits
SSGO/SGGG (Gynaecology & Obstetrics)	3 credits
Swiss Urology	3 credits
SGAIM/SSMIG (Internal Medicine)	4 credits
SGPATH/SSPATH (Pathology)	3 credits

## INTRODUCTION

---

Overdiagnosis and overtreatment of diseases detected in their earliest form is a growing public health concern. This workshop gathers multidisciplinary experts and Swiss stakeholders to address key issues around overdiagnosis and overtreatment, and aims at identifying ways to prevent these harms. Evidence and challenges about overdiagnosis and overtreatment will be assessed and critically reviewed, with active exchanges among participants on vignette presentations of cancer and cardiovascular diseases affected by these issues.

# Overdiagnosis : How to assess ? How to prevent ?

Friday, March 22, 2019 – 13h-17h, Auditoire Auguste Tissot, CHUV, Lausanne

## PROGRAM

---

13:00 **Registration**

13:30 **Welcome**

Dr PD MER Jean-Luc Bulliard, Unisanté, Lausanne  
& Prof. Arnaud Chiolero, BIHAM, Bern

### Symposium: How to assess overdiagnosis and overtreatment?

13:40-13:45 **Introduction**

Dr PD MER Jean-Luc Bulliard, Unisanté, Lausanne

13:45-14:25 **Key notes speaker**
