## Invitation 2020

Dear Colleagues,

It is my pleasure and an honor to invite you to the 52nd annual meeting of the Swiss Society of Nephrology in Interlaken on December 9 to 11, 2020.

We worked on an attractive program with excellent invited speakers and our traditional oral communications sessions and poster walk. Several speakers will come from abroad but the majority of them are from Switzerland where both basic and clinical research in the renal field is outstanding.

I hope that you will enjoy this meeting which was designed in a way that each of us should experience pleasure and intellectual stimulation.

We hope to welcome the whole nephrology community from Switzerland in Interlaken.
