

MULTIMODAL IMAGING IN LIFE SCIENCE AND CANCER

Thursday, February 2, 2023

AGORA Cancer Research Center, Lausanne

Deadline extended until: Friday, January 27th, 2023

ABSTRACT SUBMISSION GUIDELINES

The workshop aims to foster interactions between participants. We thus invite researchers to present their latest and on-going work through short posters. We equally welcome the submission of project designs for studies that have not yet been started. Participants will be asked not to photograph or record any of the posters, so that unpublished data can safely be presented.

The submission of more than one abstract per presenter is permitted.

On the submission website:

- Provide all **presenting/submitting author's contact details**, including affiliation, full mailing address and email address

In your abstract file:

- **Abstract title:** must be in UPPER CASE and is limited to 25 words.
- Provide complete authors' list with **full name of all co-authors** (e.g., Carl Smith), and make sure all authors agree on submission. Clearly indicate the presenting author. Abstracts should be submitted by the presenting author.
- Provide complete **affiliation** for every author:
Department; Institution; City; State/Province (if relevant); Country
 - *For authors from different departments/institutions, designate those by number following author's last name (e.g., Carl Smith (1)). Below author list, specify institutions per number (e.g., (1) Dept. of Oncology, University of XXX, City, Country)*
 - *Should a co-author not have any institutional affiliation, indicate their role in the project/study (e.g. Patient partner, study design)*
- **Keywords:** Below the author list, provide 3 keywords that address essential elements of your research project:
 - Research topic
 - Method
 - Application of findings
- **Structure:** Abstracts should be as informative as possible and follow the structure below:
 - Study relevance, rationale and hypothesis
 - Methods
 - Results
 - Conclusions and significance

- Abstract text: **max. 250 words** (title, author names/affiliations/address and references not included).
- Abstract must include **text only** (no tables, figures, graphs or pictures).
- Abstracts should be submitted in **English**.
- Use only standard abbreviations. Place special or unusual abbreviations in parentheses after the full word the first time it appears.
- All abstracts are to be submitted in **PDF format** to Alexandre.Benechet@chuv.ch
- Abstract submission deadline extended until: **Friday, January 27th, 2023**.

CONFIRMATION

- Presenters will be notified regarding abstract acceptance and presentation format via email to the presenting authors.

PRACTICAL DETAILS

The Scientific Committee will allocate accepted abstracts to the following formats of presentation:

Printed poster – **vertical format DIN A0** (120 cm height / 85 cm width)

(however, if your poster is already printed in another format, you are welcome to take it with you as such).

DISCLOSURE

Disclosure of financial relationships the author(s) may have with any manufacturer/supplier of any commercial products or services related to the work, must be indicated in the submission form.

REGISTRATION

Presenting authors of abstracts **must register independently** as workshop participants following the link to the registration page.
